The Greater Allen County UAW CAP Council includes 6 UAW Local Unions across 8 counties in Northeast Indiana. It serves as the non-partisan political arm of the UAW and is responsible for township, city, and county level endorsements. It also focuses on supporting our community and membership through community service. As they honor their past, they continue to focus on mentoring and building our future. When we all work together, we accomplish great things!

Congratulations to DeAnna Watson for being awarded the Activist of the Year at the Excellence in Labor Awards. Thank you for all you do DeAnna!

THE IMPORTANCE OF GOOD FRIDAY & EASTER

Why is it called Good Friday if it is the day Jesus died? - Christians today often believe the day is called Good Friday because Jesus died so that everyone could be forgiven for the things they had done wrong. This means that it is the forgiveness that is good, not Jesus' death. The day could also be considered to be good because it is what led to the Resurrection of Jesus.

Why is Easter related to Jesus? - Easter is an important Christian festival, it is when they celebrate the Resurrection of Jesus Christ. The Bible says that Christ died on a cross on a day called Good Friday. According to the Bible, Jesus was then resurrected and came back to life on Easter Sunday.
