Most Recent Update

We have contacted the Unemployment Office, the State House and the International Union this morning over SUB pay. The International Union says they will start working on this. I find it hard to believe they weren't aware of it. If the Stimulus package from the Government was going to replace our SUB pay, a little heads up from the IUAW or the company would have been nice. Instead, we have to inform them, WTF, after 2 weeks of this bullshit, REALLY! I will let you know what we find out. If you lose your patience, I Am Not Your Target!
