INTERNATIONAL UNION, UNITED AUTOMOBILE, AEROSPACE & AGRICULTURAL IMPLEMENT WORKERS OF AMERICA

September 17, 2019

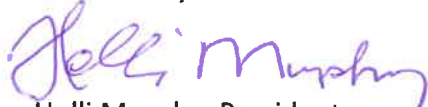

Any active UAW Local 2209 Unit I (GM) member needs to come to the union hall before Noon on Friday, September 20, 2019 and complete paperwork for UAW Healthcare benefits and Strike assistance pay.

We have not received any official confirmation from General Motors or the UAW that your benefits are being cancelled prior to the end of the month. As soon as we have more information on the status of your healthcare benefits, we will notify this membership. The letter you are seeing from Vice President Terry Dittes is purely a letter requesting confirmation from General Motors that your benefits continue through the end of the month.

Your Leadership recommends you contact your providers prior to any services you may be scheduled to receive while on strike. The following numbers will assist you with your questions:

BCBS	800-482-2210
CVS/Caremark	844-379-1671
