● **LOCAL AGREEMENT**

The recently ratified Local Agreement has been submitted to the Regional Director and the IEB for approval and implementation. Once the effective date for contract implementation is announced, we will begin the transition to the new changes in the agreement.

● **SKILLED TRADES APPRENTICES**

The GM-UAW National Apprentice Committee has agreed to put on 13 electrical apprentices at FWA. Fort Wayne Assembly is one of those plants who will be indenturing apprentices that will begin in the 4th quarter this year. These individuals will be identified and offered a Skilled Trade apprenticeship this week. Congratulations in advance to those who accept their apprenticeship offer.

● **APPENDIX A REQUEST**

Fort Wayne Assembly had recently placed an Appendix A request for 20 transfers on 10/11/2022.

That request has been filled in its entirety, as there were 20 Appendix A transfers that have been identified for transfer to FWA. Their start date will be November 14, 2022.

● **FITNESS REIMBURSEMENT**

A reminder that this Friday October 28th is the deadline for turning in reimbursement forms. You'll need your gym receipts from 2022 to turn in with your form for up to \$300 of reimbursement. You can get reimbursement forms from HR/LR or your Committeeman. Upon filling out the form and along with your receipts, you will need to take them to the Human Relations window where they will be received so you can get reimbursed. Beginning Jan 1st, the new Fitness Reimbursement amount of \$600 will go into effect.

● **VETERANS DAY LUNCH**

Fort Wayne Assembly will honor our Veterans and Active-Duty Military personnel (GM, UAW, Contract employees, and 3rd party) with the Annual Veterans Day Lunch catered by Mission BBQ and drinks courtesy of Canteen. To ensure that our Veterans and Service Members are given enough time to safely be recognized together, we will be moving the Weekly Team Meetings from Thursday, Nov. 3 to Wednesday, Nov. 9 and Thursday, Nov. 10 to coincide with each shift's lunch period (as noted below).
