Union Made Pumpkin Cream Pie

There are many different pies to choose from for Thanksgiving Day, but pumpkin pie reigns supreme on this special day in most households. Sandra Lee's Pumpkin Cream Pie recipe is an extra decadent take on traditional pumpkin pie and it's easy to whip up.

- 4 ounces cream cheese, at room temperature (Dairy Fresh, Hiland Dairy, I Can't Believe It's Not Butter, Land O' Lakes Butter, Prairie Farms)
 - 1 (15-ounce) can pumpkin puree
 - 1 and 1/3 cup heavy whipping cream (Dairy Fresh, Hiland Dairy, I Can't Believe It's Not Butter, Land O' Lakes Butter, Prairie Farms)
 - 1/2 cup light brown sugar (Domino's, Imperial)
 - 1 and 1/2 teaspoon pumpkin pie spice (Watkins)
 - 3 large eggs 1 (9-inch) frozen pie crust shell
 - 3 tablespoons brown sugar (Domino's, Imperial)
1. Preheat the oven to 375 degrees F and arrange a rack in the bottom third of the oven.
 2. In a medium bowl, combine the cream cheese, pumpkin puree, cream, brown sugar and pumpkin pie spice.
 3. Using electric hand mixer, add the eggs, 1 at a time incorporating completely between each addition.
 4. Pour the filling into the pie shell and bake on a sheet tray until the filling is mostly set and the crust has browned, about 50 to 60 minutes. The center will still look slightly loose. Remove from the oven and cool to room temperature.

For whipped cream:

In a chilled bowl, beat 1 cup heavy cream with a hand mixer until beginning to thicken. Add 3 tablespoons brown sugar and 1/2 teaspoon pumpkin pie spice and continue to beat until soft peaks form. Spread the whipped cream over the pie and serve immediately or hold in the refrigerator for up to 2 hours before serving.

The nicest thing about teamwork is that you always have others on your side.
