PYROMANIAC FIREWORKS CUSTOMER APPRECIATION NIGHT

As many of you are aware, this past Sunday night, UAW Local 2209 union hall was the setting for the annual Pyromaniac Fireworks Customer Appreciation Night. This event is coordinated solely by Paul and Gary, owners of Pyromaniac Fireworks. This is not a UAW event. Unfortunately, there was an accident involving a display in which a UAW member and another community member were injured. Please read the message below from the owners of Pyromaniac Fireworks:

We want to sincerely thank everyone for the overwhelming support at our Customer Appreciation Demo Shoot. Unfortunately, there was a firework misfire during the event. Andrea is currently in stable condition, and we continue to monitor the situation closely. We appreciate the UAW members more than you can imagine.

We are so thankful that we had ALL of the necessary first responders and emergency workers available immediately to help. This comes from being prepared and doing this event at this venue for so many years. I would like to thank Holli and her team—without them, this event would not be possible

This annual free show means the world to Paul and I. It's our way of giving back to a community that has supported us for so many years. We truly look at many of you as family, and your support means more than words can express.

Incidents like this are incredibly difficult and never something any business owner wants to experience. Our focus moving forward will be handling the situation with care, professionalism, and respect for everyone involved.

Thank you again for your prayers, support, and understanding.
