### ARTICLE 1 - RECOGNITION

#### Section 1 BARGAINING UNIT

Android and the Union agree that this contract is a local Agreement, which will cover and apply to the operations of Android. The bargaining unit includes Team Members\* in the following positions; Assemblers, Hi lo Drivers, and Team Leaders and excludes salary and office, clerical, engineering coordinators/technicians, maintenance technicians, quality engineering, material coordinators, liaisons, and Managers.

All Team Members covered by this Agreement, on or after the thirty first (31st) calendar day following their date of hire, will have the option to become members of the Union. Team Members may complete the Union Dues Authorization form during the Android new hire process. On or after the ninety first (91st) calendar day, Team Members will enjoy full benefits of this agreement.

#### Section 3 SCOPE

Android recognizes the Union as the exclusive representative of the Team Members covered under this agreement at its Fort Wayne, Indiana Fogwell Parkway manufacturing plant for the purpose of collective bargaining.

#### Section 4 UNION SECURITY

The parties recognize that the Indiana legislature has passed a law with an effective date of July 1, 2012, which makes it unlawful for them to enter into an agreement requiring membership in the UAW as a condition of employment. Accordingly, as long as that law remains in effect, this Agreement does not require employees to become or remain members in the UAW as a condition of employment. In the event that the Indiana law prohibiting union security is repealed or rendered unenforceable by voters or a court decision, all areas of this agreement that apply to Union membership will be considered a condition of employment.

## ARTICLE 2 - COMMITMENTS AND RESPONSIBILITIES

### Section 1 ANDROID OBJECTIVES

Android's primary objective is to grow and prosper. Since Team Members are the catalyst for this progress, Android recognizes its obligation to maintain Team Members' employment. Android recognizes the Union's organizing and collective bargaining as an essential and constructive force at the Fort Wayne facility.

### Section 2 UNION OBJECTIVES

The Union's primary objective is to improve quality of life for its members and their families by assuring they are treated with dignity, respect and to provide economic security. In addition, it is essential that workers are afforded the opportunity to master their work environment; to achieve not only improvement in their economic status but, of equal importance, to gain from their labors a greater measure of dignity, self-fulfillment and self-worth. It recognizes, however, the necessity of increasing productivity as a factor in its role in contributing to the development of Android, a provider of its members' employment and income.

### Section 3 COMMON GOALS

To achieve the common goal of maintaining and improving the quality of life for Team Members and their families through Android growth, the Parties are committed to;

1. Maintaining a prosperous business operation necessary to maintain fair wages and benefits that will assure a satisfactory standard of living and to provide secure jobs with the opportunity for advancement;
2. Providing workers a voice in their own destiny in decisions that affect their lives before such decisions are made;
3. Ensure the plant is operated under methods that promote, to the fullest extent possible, economy of operation, quality and quantity of output, cleanliness of the plant, and protection of property;
4. Working together as a team;
5. Providing world's highest quality service at lowest possible cost to the customer;
6. Promoting full communication over established policies and procedures;
7. Cooperating, acting within established standards of conduct and promoting fair and equitable treatment;
8. Maintaining a safe work place and using new and innovative programs that could become a model for use throughout the entire industry;
9. Resolving Team Member concerns through procedures using problem solving and non-adversarial techniques based on consensus instead of confrontation;
10. Recognizing the full worth and dignity of all Team Members, both bargaining unit and non-bargaining unit, and treating each other with respect;
11. Constantly seeking improvement in quality, efficiency and work environment through continuous improvement and through the elimination of waste;
12. Working jointly in the Continuous Improvement process;

13. Recognizing and respecting each other's rights, and performing all responsibilities with sincerity;

The Union accepts the responsibility to promote the common objectives and to cooperate with Android in administering, on a fair and equitable basis, standards of conduct; attendance plans and problem resolution; to promote improvements in quality and productivity; and to cooperate with Android in dealing with governmental entities.
