• WELCOME BACK

Just as another reminder you must report your “Gross Holiday Wages” from your paystub when you file your 2nd week unemployment. GM is supposed to pay you for the April 15th Holiday, and this will count against your state unemployment that you will file for last week. You have until this Saturday to get this done. Any questions concerning Sub-pay, you will have to come see or call your UAW Benefits Reps. (260) 673-2540, 2339, 2596 as they will need to be at their computers to look up your Benefits. Unemployment or Payroll questions can be answered by the UAW Trainers upfront in the training area.

• FREE CLOTHING STORE ITEMS

As a result of the national parties closing down all clothing stores in our plants, several boxes of clothing and other items were left in storage with no plans to take them. We also have a few boxes of the “Home of the Crew Cab” shirts remaining. The old clothing store has been setup by sizes for easy picking. The store will open this Friday (April 22nd) and Monday (April 25th) thru Wednesday (April 27th) from 4:30 AM to 3:30 PM for any GM-UAW unit 1 members that would like to pick through the items. The majority of this membership received the crew cab shirts but if you did not receive one feel free to stop by and get one, sizes are limited.

• GOLFIN FOR WISHES SUNDAY MAY 15th, DEADLINE MAY 5th

As part of the 2022 Make-A-Wish Campaign starting in a couple weeks. The 12th annual Golfin for Wishes event will be taking place on Saturday May 14th & Sunday May 15th at Brookwood Golf Course here in Fort Wayne. **Saturday (May 14th) is currently full**, but there are plenty of opening still for Sunday. Prices are \$75.00 per person \$300 per team, which also include food and drink. Come out and support a great cause and help raise money to make wishes come true for children here in Indiana. For more information or to register, contact the Hall or reach out to Adam Clark-ext-2023 or Andy Clark ext-2504.

• K2 BODY SHOP

The K2 Body shop is now off limits to all pedestrian traffic effective April 18th. Contractor activity has begun, and they will erect over 3500' of isolation wall to keep all contractor work inside this containment and this work is expected to last until September.

There will be no one allowed inside the containment area for your own safety as there will be very hazardous work going on inside these walls. Signs are posted at multiple locations to show what are the new travel routes and communications have also been sent out plantwide. This is an example of the signage you will see.

K2 Body Shop Demo starts April 18

Crews will begin the demolition of the old K2 Body Shops on Monday, April 18. Once demolition begins, **ONLY** authorized personnel will be allowed to enter the K2 Body Shop.

For Body Shop and Paint Shop employees, pedestrian aisles have been designated for safe travel to and from the K2 main employee entrance to the T1 Body Shop, the Paint Shop, and the training center. Please follow the directional signage (see examples.)

Final Process East employees will **NOT** have access to their area through the K2 Body Shops by foot. Final Process East employees should park in General Assembly parking lot and shuttle to and from the Final Process East entrance.

No matter where you work in the plant, this area is strictly prohibited to everyone unless authorized.
