• NEGOTIATIONS/TEMP CONVERSIONS OF 62

What's left of your shop committee and I have been in negotiations for the last three weeks. We have made a lot of progress on several issues and hopefully we will have the opportunity to share where we are at on all the issues. We have made great progress on converting 62 temporary members to full time. It has been agreed to make the conversion on August 31, 2020 for all 62. They will all have their seniority dates back dated 90 days per the National Agreement, which will make June 1, 2020 your seniority date for benefits purposes only. This group of 62 was pulled ahead as a result of these discussions instead of waiting until January 4, 2021. GM will be contacting those who are to be converted to complete your paperwork and orientation will be scheduled in the very near future. You will all receive 40 hours vacation for the rest of the calendar year. Congratulations to all those who are being converted and have worked hard on getting hired. You earned it!!

On August 24th we had 18 more members transfer to Fort Wayne Assembly from Spring Hill, Wentzville and Arlington. This brings the total of transfers to 95.
