Local Union 2209 Triennial Election

Due to the current status of the COVID-19 pandemic, the Election Committee is requesting to postpone the Triennial Election to a date that is to be determined. Once FWA is back to work, we will revisit the election and announce a date that is no later than 8 weeks out. This will allow the Election Committee to be properly trained while also giving candidates ample time to campaign. Thank you for your time and consideration.

Election Committee Training

Due to current events and the cancellation of the previously scheduled Election Committees Training, UAW Region 2B has been working with the President's Office to put together an online version to meet the needs of this membership. They understand that many locals have their Triennial Elections this year and receiving this training is of utmost importance. I have registered all 36 election committee members to receive training. UAW Region 2B Assistant Director, Wayne Blanchard will be sending them an invitation to an online "meeting" through Microsoft Teams.

I Appreciate You! Should you need someone to reach out to or pray for you, our Chaplaincy committee have volunteered their numbers. Here is the list for them.
