**JOIN NOW!**

As you may know, UAW Local 2209 has created a partnership with Junior Achievement of Northern Indiana. Over the past few years, many members have volunteered their time at the facility on Wallen Road helping children with their classroom studies and sharing experiences to help inspire your people to pursue their dreams. Junior Achievement organizations normally have a bowl-a-thon to

help raise money for funding. Obviously, due to the pandemic, that local event has been cancelled. In place of that, they began hosting a JA Achieve-A-Bowl. Having to go virtual, this year it is the Play4JA Virtual Trivia Event. Here is an opportunity to test your random knowledge and inspire local students.

Junior Achievement of Northern Indiana is offering two nights this week (Thursday & Sunday) for individuals to join in the fun virtual trivia social. People register on their own for \$25. You will have the chance to win \$100! Copy the link below to join in the fun!

## **FORT WAYNE UNITED**

Local 2209 has joined the comprehensive cultural competency program that fosters racial equity, healing and unity know as Fort Wayne UNITED. The goal of this initiative is to bring the communities together to attain racial healing, equity, education and organizational transformation by developing shared knowledge and understanding around various topics related to diversity and inclusion. Each month, participants will watch a keynote address with addresses bias, stress, stereotyping, power and positions. We have developed a team of members to participate in all of the sessions. TOGETHER, we can make a difference!
