RE: **Scholarship Program for Dependent Children**

Greetings:

As promised at our recent UAW National Sub-Council meeting, the newly negotiated Scholarship Program for Dependent Children is going to go live on Wednesday, June 12, 2024. This will be done through an electronic application process.

We are inviting the Joint Training Representatives, Joint Activities Representatives and Human Resource Development Representatives (Document 46) from each location to attend a virtual training and overview of the overall process, hosted by our third-party partners (Ed Assist) on Monday, June 10, 2024 @ 1:30 pm est. This training will enable the Document 46 Representatives to assist the members with any questions that they have about making application for utilizing this benefit. We will also be supplying the representatives with promotional flyers on the program.

Direction will be given on how those members get reimbursed, that have had dependent children enrolled in classes since the National Agreement dated (November 20, 2023).

While we have conducted several tests of the data, system, and capabilities, as with any new venture, there will certainly be minor issues that arise. As always, the Joint UAW-GM VEBA Trust Staff will be vigilant about addressing any concerns that arise and transparent about the corrective action taken.

All questions can be directed to dspadmins@uawgmjp.com.

As always, In solidarity,

Mike Booth
